

Develop your team's potential with training

St Catherine's is more than just a hospice. We're an established and respected training provider, sharing expertise which has been built up over nearly 35 years caring for local people in Central Lancashire.

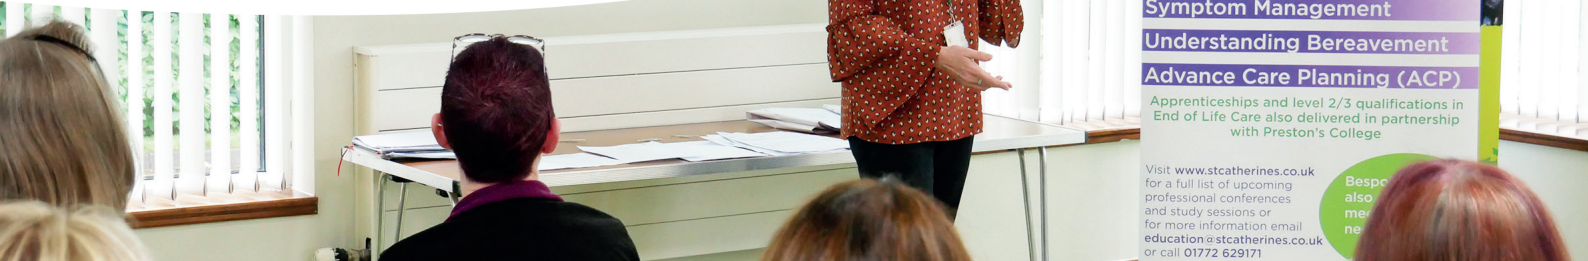

Specialising in palliative and end of life care, we also deliver general first aid courses and training in how to manage bereavement in the workplace, which is relevant for companies from all sectors.

Bespoke packages are available, ensuring that we can meet the individual needs of your business and colleagues.

Examples of the training we can provide include:

- **Communication skills, including how to handle difficult conversations**
- **Grief and bereavement**
- **First aid**

We would love to work with you to empower and educate your staff through meaningful and personalised training that delivers real results.
