

Organise a fundraiser for St Catherine's Hospice: Top Tips to get you started!

- Whether you already have a fantastic fundraising idea, or you want to get involved and are looking for some inspiration, the first point of call is to get in touch with our friendly and helpful community engagement team – please email fundraising@stcatherines.co.uk or call 01772 324540

- Our team can discuss fundraising ideas and options with you; offer advice about organising and promoting an event; and talk to you about personalised sponsorship forms, providing you with collection buckets and St Catherine's t-shirts, and more.
- We recommend that where possible you ask people to pay their sponsor money up front as it can take time to collect afterwards. Why not create an online account through websites like Just Giving, Virgin Money Giving, or set up a Facebook Fundraiser through your social media account? These offer a quick and easy way for people to sponsor you – and the funds come directly to the hospice. Our team can advise on the best ways to set these up.

- It's important to remember that if you're collecting sponsorship for St Catherine's, all money must come to the hospice. If some of the money raised by your sponsorship is to be used to pay for some of your costs or for some other use, you must make this clear to both St Catherine's Hospice and the people sponsoring you.
